The New American Bible - Catholic Biblical Association of America - 1970
"Its pages contain a new Catholic version of the
contemporary world a spiritual place to stand amid the shifting sands of postmodernity. As Cardinal Thomas Collins, Archbishop of Toronto, writes in his Foreword, “Now, as in the first century, Christians face martyrdom, and those who are not called to die for Christ are called to live for Christ in a world which in many ways rejects the Gospel. More than ever, we need the apocalyptic vision, to have our own vision of reality clarified, and to be strengthened in our evangelical witness.”
John articulates from start to finish a multifaceted and compelling portrait of Jesus Christ. Nusca offers an exegetical reading of selected verses of the Book of Revelation, incorporating rich spiritual and pastoral reflections. The Christ of the Apocalypse above all affirms that St. John’s God- and Christ-centered, symbolic universe offers our contemporary world a spiritual place to stand amid the shifting sands of postmodernity. As Cardinal Thomas Collins, Archbishop of Toronto, writes in his Foreword, “Now, as in the first century, Christians face martyrdom, and those who are not called to die for Christ are called to live for Christ in a world which in many ways rejects the Gospel. "beast." The "sea of glass." The fantastic imagery about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's Coming Soon explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow. Coming Soon is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version: Catholic Edition of the Bible. Barber provides a Catholic interpretation, which sees the liturgical background of this book of Scripture—a perspective missing in many Protestant commentaries.

Will Catholics Be Left Behind - Carl Olson - 2016-12-04
This powerful and timely book, written by a former Fundamentalist, is a thorough critique of the popular Fundamentalist notion of the “Rapture”[the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming. It examines the theological, historical, and Biblical basis for “premillennial dispensationalism”, the belief system based around the Rapture, and popularized in the best-selling Left Behind books and taught by “Bible prophecy” writers Tim LaHaye, Hal Lindsey, Jack Van Impe, and many others. Written for both the lay person and the
American Puritans. He shows how John Nelson popular approach with detailed footnotes and exhaustive research. Beginning with the big picture, it focuses first on key concepts such as eschatology, the Parousia, and the relationship between the Kingdom and the Church. It then examines the Book of Revelation, providing insights into the nature and purpose of that difficult, final book of the Bible. Another chapter looks at the concept of the “millennium” and how it has been understood by various Christians over the centuries. Olson then shows how Left Behind creator LaHaye’s many works on “Bible prophecy” are filled with attacks on Catholicism, and often rely on sensationalism, shaky scholarship, and subjective interpretations of Scripture. Olson, a former dispensationalist who now edits Envoy magazine, also presents a history of apocalyptic belief and theology, beginning with the Early Church Fathers and including the Montanists, St. Augustine, Joachim of Fiore, the Protestant Reformers, and the Darby, an ex-Anglican priest, developed the premillennial dispensationalist system, which hinges on the Rapture, in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ, the Church, and the Bible. The second part of the book, “A Catholic Critique of Dispensationalism,” focuses on three important topics: the relationship between Israel, the Church, and the Kingdom; the interpretation of Scripture; and the nature of the Rapture event. Filled with a wealth of information drawn from both Protestant and Catholic sources, this section provides a complete rebuttal to the premillennial dispensationalist system and the “left behind” theology. The book concludes with a reflection on the Catholic understanding of the end times, salvation history, and the final judgement. Glossaries of key persons and terms are also included. The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade."

For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

Dogmatic Constitution on Divine Revelation
- Pope Paul VI. - 1965
This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

Why do we believe that God exists, that he became a man and came to save us, that what looks like a wafer of bread is actually his body? Ever since he became Catholic, Trent Horn has spent a lot of time answering these questions, trying to explain to friends, family, and total strangers the reasons for his Catholic faith. Some didn't believe in God, or even in the existence of truth. Others said they were spiritual but didn't think you needed religion to be happy. Some were Christians who thought Catholic doctrines over-complicated the pure gospel. And some were fellow Catholics who had a hard time understanding everything they professed to

Liturgy as Revelation - Philip Caldwell - 2014-12-01
A critical issue in modern Catholic theology has been the relationship between the doctrine of revelation and the church’s liturgical and sacramental practice. This volume argues that although in the twentieth century Catholic theology increasingly recognized the centrality of Christology—particularly the person of Christ—as the locus of revelation and drew out the crucial implications of Christ as the revelation of God, it was slow to connect this revelatory dynamic with the encounter that occurs within the sacramental space of the liturgy, most notably the Eucharist. Taking the decline of the neoscholastic enterprise in Catholic theology and the challenges posed by modernism as his point of departure, Philip Caldwell traces the evolution of the Catholic theology of revelation in the twentieth century and the vital role played by the liturgical and sacramental renewal movements in reimagining this pivotal theological category. Examining the specific contributions of René Latourelle, Avery Dulles, Salvatore Marsilli, and Gustave Martelet against a background of pre-conciliar ressourcement theology, this volume provides a comprehensive account of why a Trinitarian and Christological construal of liturgy and

One of the most prized Bible translations, the Confraternity edition of Challoner-Rheims, is presented here as a “Reader’s Bible,” offering the sacred words of Scripture in the form in which they were originally written – without all the verse numbers, section heads, comments, references, and footnotes that, although valuable to scholars, clutter up most Bibles today, drawing attention away from the meaning of the Sacred Text itself. The early Christians read “the inspired Word of God” without all those academic distractions. Now, with this Catholic Reader’s Bible, you finally can too. Instead of double columns that squeeze short lines of text up against each other, here you’ll find generous, single-column pages graced with handsome, readable type. For navigation purposes, the top of each page lists the range of verses on that page. Plus, this venerable eighteenth-century translation by Richard Challoner, Roman Catholic bishop of England, relies on the long-revered Douay-Rheims Bible and employs language that is more intelligible and familiar today – which is certainly a boon for those of us who open our Bibles not as scholars but as seekers yearning simply to come to know and to love God. If you’ve never read God’s Word in this way – as it was written – then you are in for an exciting and inspiring experience. The Catholic Reader’s Bible is perfect for brief devotional moments as well as for long, delightful hours of extended reading.

challenging and sometimes controversial subjects
such as the relationship between African
American Catholics and the Communist Party,
Catholics in the civil rights movement, the

Vatican II and the American Catholic Church.
