**& Race in the American South - Southern Education Foundation**
This growth was catalyzed by Southern state legislatures, who enacted as many as 450 laws and resolutions between 1954 and 1964 attempting to block, postpone, limit, or evade the desegregation of public schools, many of which expressly authorized the systematic transfer of public assets and monies to private schools. For example, in 1961

**Digital History**
Westward Expansion. Until 1821, Spain ruled the area that now includes Arizona, California, Colorado, Nevada, New Mexico, Texas, and Utah. The Mexican war for independence opened the region to American economic penetration. Government explorers, traders, and trappers helped to open the West to white settlement.
