Lincoln on the Verge tells the dramatic story of America’s greatest president discovering his own strength to save the Republic. As a divided nation plunges into the deepest crisis in its history, Abraham Lincoln boards a train for Washington and his inauguration—an inauguration Southerners have vowed to prevent. Lincoln on the Verge charts these pivotal thirteen days of his power, speaks directly to the public, and sees his country up close. Drawing on new research, this riveting account reveals the president-elect as a work in progress, showing him on the verge of greatness, as he foils an assassination attempt, forges an unbreakable bond with the American people, and overcomes formidable obstacles in order to take his oath of office.

**Rise to Greatness** - David Von Drehle - 2012-10-30
Chronicles Abraham Lincoln's success at turning the Civil War to the North's favor during the year of 1862.

**The Gettysburg Address** - Abraham Lincoln - 2009-08-27
The Address was delivered at the dedication of the Soldiers' National Cemetery in Gettysburg, Pennsylvania, on
November 19, 1863, during the American Civil War, four and a half months after the Union armies defeated those of the Confederacy at the decisive Battle of Gettysburg. In just over two minutes, Lincoln invoked the principles of human equality espoused by the Declaration of Independence and redefined the Civil War as a struggle not merely for the Union, but as "a new birth of freedom" that would bring true equality to all of its citizens, and that would also create a unified nation in which states' rights were no longer dominant. Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.
The Fiery Trial: Abraham Lincoln and American Slavery - Eric Foner - 2011-09-26
“A masterwork [by] the preeminent historian of the Civil War era.”—Boston Globe
Selected as a Notable Book of the Year by the New York Times Book Review, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

Lincoln and the American Founding - Lucas E. Morel - 2020
“This book is a scholarly introduction for the general reader on the most important political actors and documents of the American
expressed in [Lincoln's] Abraham Lincoln's politics"

"This book is a scholarly introduction for the general reader on the most important political actors and documents of the American revolutionary era that shaped Abraham Lincoln's politics"

**Abe** - David S. Reynolds - 2020-09-29

One of the Wall Street Journal's Ten Best Books of the Year | A Washington Post Notable Book | A Christian Science Monitor and Kirkus Reviews Best Book of 2020 Winner of the Gilder Lehrman Abraham Lincoln Prize and the Abraham Lincoln Institute Book Award "A marvelous cultural biography that captures Lincoln in all his historical fullness. . . . using popular culture in this way, to fill out the context surrounding Lincoln, is what makes Mr. Reynolds's biography so different and so compelling . . . Where did the sympathy and compassion

Second Inaugural—'With malice toward none; with charity for all'—come from? This big, wonderful book provides the richest cultural context to explain that, and everything else, about Lincoln." —Gordon Wood, Wall Street Journal From one of the great historians of nineteenth-century America, a revelatory and enthralling new biography of Lincoln, many years in the making, that brings him to life within his turbulent age David S. Reynolds, author of the Bancroft Prize-winning cultural biography of Walt Whitman and many other iconic works of nineteenth century American history, understands the currents in which Abraham Lincoln swam as well as anyone alive. His magisterial biography Abe is the product of full-body immersion into the riotous tumult of American life in the decades before the Civil War. It was a country growing up and being pulled apart at the same time, with a democratic popular culture that reflected the country's contradictions.
Lincoln's lineage was considered auspicious by Emerson, Whitman, and others who prophesied that a new man from the West would emerge to balance North and South. From New England Puritan stock on his father's side and Virginia Cavalier gentry on his mother's, Lincoln was linked by blood to the central conflict of the age. And an enduring theme of his life, Reynolds shows, was his genius for striking a balance between opposing forces. Lacking formal schooling but with an unquenchable thirst for self-improvement, Lincoln had a talent for wrestling and bawdy jokes that made him popular with his peers, even as his appetite for poetry and prodigious gifts for memorization set him apart from them through his childhood, his years as a lawyer, and his entrance into politics. No one can transcend the limitations of their time, and Lincoln was no exception. But what emerges from Reynolds's masterful reckoning is a man who at each stage in his life managed to arrive at a broader view of enlightened peers. As a politician, he moved too slowly for some and too swiftly for many, but he always pushed toward justice while keeping the whole nation in mind. Abe culminates, of course, in the Civil War, the defining test of Lincoln and his beloved country. Reynolds shows us the extraordinary range of cultural knowledge Lincoln drew from as he shaped a vision of true union, transforming, in Martin Luther King Jr.'s words, "the jangling discords of our nation into a beautiful symphony of brotherhood." Abraham Lincoln did not come out of nowhere. But if he was shaped by his times, he also managed at his life's fateful hour to shape them to an extent few could have foreseen. Ultimately, this is the great drama that astonishes us still, and that Abe brings to fresh and vivid life. The measure of that life will always be part of our American education.

Presents the life of the Civil War president, detailing his childhood, his education,
thematic chapters, these legislator, his marriage, political campaigns, presidential years, and assassination.

**We Called Him Rabbi Abraham** - Gary Phillip Zola - 2014-03-21

Over the course of American history, Jews have held many American leaders in high esteem, but they maintain a unique emotional bond with Abraham Lincoln. From the time of his presidency to the present day, American Jews have persistently viewed Lincoln as one of their own, casting him as a Jewish sojourner and, in certain respects, a Jewish role model. This pioneering compendium—The first volume of annotated documents to focus on the history of Lincoln’s image, influence, and reputation among American Jews—considers how Lincoln acquired his exceptional status and how, over the past century and a half, this fascinating relationship has evolved. Organized into twelve chronological and little-known primary source documents—many never before published and some translated into English for the first time—consist of newspaper clippings, journal articles, letters, poems, and sermons, and provide insight into a wide variety of issues relating to Lincoln’s Jewish connection. Topics include Lincoln’s early encounters with Central European Jewish immigrants living in the Old Northwest; Lincoln’s Jewish political allies; his encounters with Jews and the Jewish community as President; Lincoln’s response to the Jewish chaplain controversy; General U. S. Grant’s General Orders No. 11 expelling “Jews, as a class” from the Military Department of Tennessee; the question of amending the U.S. Constitution to legislate the country’s so-called Christian national character; and Jewish eulogies after Lincoln’s assassination. Other chapters consider the crisis of conscience that arose when President Andrew Johnson proclaimed a national day of
Over the course of American history, Jews have held many American leaders in high esteem, but they maintain a unique emotional bond with Abraham Lincoln. festival of Shavuot (the Feast of Weeks), a day when Jewish law enjoins Jews to rejoice and not to mourn; Lincoln’s Jewish detractors contrasted to his boosters; how American Jews have intentionally “Judaized” Lincoln ever since his death; the leading role that American Jews have played in in crafting Lincoln’s image and in preserving his memory for the American nation; American Jewish reflections on the question “What Would Lincoln Do?”; and how Lincoln, for America’s Jewish citizenry, became the avatar of America’s highest moral aspirations. With thoughtful chapter introductions that provide readers with a context for the annotated documents that follow, this volume provides a fascinating chronicle of American Jewry’s unfolding historical encounter with the life and symbolic image of Abraham Lincoln, shedding light on how the cultural interchange between American ideals and Jewish traditions influences the dynamics of the American Jewish experience. Finalist,

James McPherson has emerged as one of America's finest historians. Battle Cry of Freedom, his Pulitzer Prize-winning account of the Civil War, was a national bestseller that Hugh Brogan, in The New York Times Book Review, called "history writing of the highest order." In that volume, McPherson gathered in the broad sweep of events, the political, social, and cultural forces at work during the Civil War era. Now, in Abraham Lincoln and the Second American Revolution, he offers a series of thoughtful and engaging essays on aspects of Lincoln and the war that have rarely been discussed in depth.

McPherson again displays his keen insight and sterling prose as he examines several critical themes in American history. He looks closely at the President's role as Commander-in-Chief of the Union forces, showing how Lincoln forged a national military strategy for victory. He explores the importance of Lincoln's great rhetorical skills, uncovering how--through parables and figurative language--he was uniquely able to communicate both the purpose of the war and a new meaning of liberty to the people of the North. In another section, McPherson examines the Civil War as a Second American Revolution, describing how the Republican Congress elected in 1860 passed an astonishing blitz of new laws (rivaling the first hundred days of the New Deal), and how the war not only destroyed the social structure of the old South, but radically altered the balance of power in America, ending 70 years of Southern power in the national government. The Civil War was the single most transforming and defining experience in American history, and Abraham Lincoln remains the most important figure in the pantheon of our mythology. These graceful essays, written by one of...

**The Life and Writings of Abraham Lincoln** - Abraham Lincoln - 2012-06-13

Abraham Lincoln, the greatest of all American presidents, left us a vast legacy of writings, some of which are among the most famous in our history. Lincoln was a marvelous writer—from the humblest letter to his great speeches, including his inaugural addresses, the Emancipation Proclamation, and the Gettysburg Address. His sentences were so memorably crafted that many resonate across the years. "Fourscore and seven years ago," begins the Gettysburg Address, "our fathers brought forth on this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal." In 1940, the prolific author and historian Philip Van Doren Stern produced this volume as a guide to Lincoln's life through his writings. Stern's "Life of Abraham Lincoln" is a full includes a detailed chronology. Stern has collected all the essential texts of Lincoln's public life, from his first public address—a stump speech in New Salem, Illinois, in 1832 for an election he went on to lose—to his last piece of public writing, a pass to a congressman who was to visit the president the day after Lincoln went to Ford's Theater on April 14, 1865. Some 275 such documents are collected and placed in their historical context. Together with the "Life" and the Introduction, "Lincoln in His Writings," by noted historian Allan Nevins, they give a full and vivid picture of Abraham Lincoln.

**Lincoln in American Memory** - Merrill D. Peterson - 1995-06-01

Lincoln's death, like his life, was an event of epic proportions. When the president was struck down at his moment of triumph, writes Merrill Peterson, "sorrow--indescribable sorrow" swept the nation. After lying in state in Washington, Lincoln's body was carried by a special funeral train to Springfield, Illinois, stopping in major cities along the way; perhaps a million people viewed the remains as memorial orations rang out and the world chorused its sincere condolences. It was the apotheosis of the martyred President--the beginning of the transformation of a man into a mythic hero. In Lincoln in American Memory,
biographies, from Lincoln's place in the American imagination from the hour of his death to the present. In tracing the changing image of Lincoln through time, this wide-ranging account offers insight into the evolution and struggles of American politics and society—and into the character of Lincoln himself. Westerners, Easterners, even Southerners were caught up in the idealization of the late President, reshaping his memory and laying claim to his mantle, as his widow, son, memorial builders, and memorabilia collectors fought over his visible legacy. Peterson also looks at the complex responses of blacks to the memory of Lincoln, as they moved from exultation at the end of slavery to the harsh reality of free life amid deep poverty and segregation; at more than one memorial event for the great emancipator, the author notes, blacks were excluded. He makes an engaging examination of the flood of reminiscences and

old law partner William H. Herndon to Carl Sandburg and beyond. Serious historians were late in coming to the topic; for decades the myth-makers sought to shape the image of the hero President to suit their own agendas. He was made a voice of prohibition, a saloon-keeper, an infidel, a devout Christian, the first Bull Moose Progressive, a military blunderer and (after the First World War) a military genius, a white supremacist (according to D.W. Griffith and other Southern admirers), and a touchstone for the civil rights movement. Through it all, Peterson traces five principal images of Lincoln: the savior of the Union, the great emancipator, man of the people, first American, and self-made man. In identifying these archetypes, he tells us much not only of Lincoln but of our own identity as a people.

Abraham Lincoln and Frederick Douglass - Russell Freedman - 2012-06-19
From the author of Lincoln: A Photobiography, comes a clear-sighted, carefully researched account of two surprisingly parallel lives and how they intersected at a critical moment in U.S. history. Abraham Lincoln and Frederick Douglass were both self-taught, both great readers and believers in the importance of literacy, both men born poor who by their own efforts reached positions of power and prominence—Lincoln as president of the United States and Douglass as the most famous and influential African American of his time. Though their meetings were few and brief, their exchange of ideas helped to end the Civil War, reunite the nation, and abolish slavery. Includes bibliography, source notes, and index.

**A Just and Generous Nation** - Harold Holzer - 2015-11-03
In A Just and Generous Nation, the eminent historian Harold Holzer and the noted economist Norton Garfinkle present a groundbreaking new account of the beliefs that inspired our sixteenth president to go to war when the Southern states seceded from the Union. Rather than a commitment to eradicating slavery or a defense of the Union, they argue, Lincoln's guiding principle was the defense of equal economic opportunity. Lincoln firmly believed that the government's primary role was to ensure that all Americans had the opportunity to better their station in life. As president, he worked tirelessly to enshrine this ideal within the federal government. He funded

supported education, and, most importantly, issued the Emancipation Proclamation, which opened the door for former slaves to join white Americans in striving for self-improvement. In our own age of unprecedented inequality, A Just and Generous Nation reestablishes Lincoln's legacy as the protector not just of personal freedom but of the American dream itself.

**An American Marriage** - Michael Burlingame - 2021-06-01
An enlightening narrative exploring an oft-overlooked aspect of the sixteenth president's life, An American Marriage reveals the tragic story of Abraham Lincoln’s marriage to Mary Todd. Abraham Lincoln was apparently one of those men who regarded “connubial bliss” as an untenable fantasy. pardoned a Union soldier who had deserted the army to return home to wed his sweetheart. As the president signed a document sparing the soldier's life, Lincoln said: “I want to punish the young man—probably in less than a year he will wish I had withheld the pardon.” Based on thirty years of research, An American Marriage describes and analyzes why Lincoln had good reason to regret his marriage to Mary Todd. This revealing narrative shows that, as First Lady, Mary Lincoln accepted bribes and kickbacks, sold permits and pardons, engaged in extortion, and peddled influence. The reader comes to learn that Lincoln wed Mary Todd because, in all likelihood, she seduced him and then insisted that he protect her honor. Perhaps surprisingly, the 5’2” Mrs. Lincoln often physically abused her 6’4” husband, as well as her children and servants; she humiliated her husband in public; she caused him, as president, to fear that she would disgrace him
sweetheart. As the president she was not profoundly opposed to slavery and hardly qualifies as the “ardent abolitionist” that some historians have portrayed. While she providid a useful stimulus to his ambition, she often “crushed his spirit,” as his law partner put it. In the end, Lincoln may not have had as successful a presidency as he did—where he showed a preternatural ability to deal with difficult people—if he had not had so much practice at home.

Abraham Lincoln

Abraham Lincoln received less than two years of formal education, but he had a passion for knowledge: he would walk for miles to borrow a book and eventually taught himself to become a lawyer. His legal career lead to a term in the US House of Representatives, and he was later selected as the Republican presidential candidate in 1860 and elected president. Shortly after his inauguration, the Civil War broke out, and for the rest of his life, Lincoln served as a wartime president, achieving the hugely challenging task of keeping the Union together until the Confederate surrender in April of 1865. Weeks later Lincoln was assassinated, but his legacy lives on. From his humble beginnings in a Kentucky log cabin to his stepmother’s encouragement of education, the details of Abraham Lincoln’s childhood are revealed in this narrative biography about the events and influences that made him into the exceptional American leader he became.

**The Zealot and the Emancipator** - H. W. Brands - 2021-10
From the acclaimed historian and bestselling author: a page-turning account of the embodied by John Brown and Abraham Lincoln--two men moved to radically different acts to confront our nation's gravest sin. John Brown was a charismatic and deeply religious man who heard the God of the Old Testament speaking to him, telling him to destroy slavery by any means. When Congress opened Kansas territory to slavery in 1854, Brown raised a band of followers to wage war. His men tore pro-slavery settlers from their homes and hacked them to death with broadswords. Three years later, Brown and his men assaulted the federal arsenal at Harpers Ferry, Virginia, hoping to arm slaves with weapons for a race war that would cleanse the nation of slavery. Brown's violence pointed ambitious Illinois lawyer and former officeholder Abraham Lincoln toward a different solution to slavery: politics. Lincoln spoke cautiously and dreamed big, plotting his path back to Washington and perhaps to the White House. Yet his caution could not protect him
graved sin. John Brown was a charismatic and deeply religious man who heard the God of the Old Testament speaking to him, telling him to destroy slavery by any means. When Congress opened Kansas territory to slavery in 1854, Brown raised a band of followers to wage war. His men tore pro-slavery settlers from their homes and hacked them to death with broadswords. Three years later, Brown and his men assaulted the federal arsenal at Harpers Ferry, Virginia, hoping to arm slaves with weapons for a race war that would cleanse the nation of slavery. Brown's violence pointed ambitious Illinois lawyer and former officeholder Abraham Lincoln toward a different solution to slavery: politics. Lincoln spoke cautiously and dreamed big, plotting his path back to Washington and perhaps to the White House. Yet his caution could not protect him from the vortex of violence Brown had set in motion. After Brown's arrest, his righteous dignity on the way to the gallows led many in the
North to see him as a martyr to liberty. Southerners responded with anger and horror to a terrorist being made into a saint. Lincoln shrewdly threaded the needle between the opposing voices of the fractured nation and won election as president. But the time for moderation had passed, and Lincoln's fervent belief that democracy could resolve its moral crises peacefully faced its ultimate test. The Zealot and the Emancipator is the thrilling account of how two American giants shaped the war for freedom.

**Loathing Lincoln** - John McKee Barr - 2014-04-07

While most Americans count Abraham Lincoln among the most beloved and admired former presidents, a dedicated minority has long viewed him not only as the worst president in the country's history, but also as a criminal who defied the Constitution and advanced federal power and the idea of racial equality. In Loathing Lincoln, historian John McKee Barr surveys the broad array of criticisms about Abraham Lincoln that emerged when he stepped onto the national stage, expanded during the Civil War, and continued to evolve after his death and into the present. The first panoramic study of Lincoln's critics, Barr's work offers an analysis of Lincoln in historical memory and an examination of how his critics -- on both the right and left -- have frequently reflected the anxiety and discontent Americans felt about their lives. From northern abolitionists troubled by the slow pace of emancipation, to Confederates who condemned him as a "black Republican" and despot, to Americans who blamed him for the civil rights movement, to, more recently, libertarians who accuse him of trampling the Constitution and creating the modern welfare state, Lincoln's detractors have always been a vocal minority, but not one without influence. By meticulously exploring the most significant arguments against Lincoln, Barr traces the rise of the president's most strident critics and links
Abraham Lincoln among the right-wing or neo-Confederate political agenda. According to Barr, their hostility to a more egalitarian America and opposition to any use of federal power to bring about such goals led them to portray Lincoln as an imperialistic president who grossly overstepped the bounds of his office. In contrast, liberals criticized him for not doing enough to bring about emancipation or ensure lasting racial equality. Lincoln's conservative and libertarian foes, however, constituted the vast majority of his detractors. More recently, Lincoln's most vociferous critics have adamantly opposed Barack Obama and his policies, many of them referencing Lincoln in their attacks on the current president. In examining these individuals and groups, Barr's study provides a deeper understanding of American political life and the nation itself.

**Abraham Lincoln and Civil War America** - William E. Gienapp - 2002-04-08
In Abraham Lincoln and Civil War America, historian William Gienapp provides a remarkably concise, up-to-date, and vibrant biography of the most revered figure in United States history. While the heart of the book focuses on the Civil War, Gienapp begins with a finely etched portrait of Lincoln's early life, from pioneer farm boy to politician and lawyer in Springfield, to his stunning election as sixteenth president of the United States. Students will see how Lincoln grew during his years in office, how he developed a keen aptitude for military strategy and displayed enormous skill in dealing with his generals, and how his war
United States history. While to preserve the Union to emancipation and total war. Gienapp shows how Lincoln's early years influenced his skills as commander-in-chief and demonstrates that, throughout the stresses of the war years, Lincoln's basic character shone through: his good will and fundamental decency, his remarkable self-confidence matched with genuine humility, his immunity to the passions and hatreds the war spawned, his extraordinary patience, and his timeless devotion. A former backwoodsman and country lawyer, Abraham Lincoln rose to become one of our greatest presidents. This biography offers a vivid account of Lincoln's dramatic ascension to the pinnacle of American history.

**Abraham Lincoln** - Fred L. Reed - 2013

**Abraham Lincoln** - Fred L. Reed - 2013

**Lincoln in Private** - Ronald C. White - 2021-05-04

“An intimate character portrait and fascinating inquiry into the basis of Lincoln’s energetic, curious mind.”—The Wall Street Journal

From the New York Times bestselling author of *A. Lincoln and American Ulysses*, a revelatory glimpse into the intellectual journey of our sixteenth president through his private notes to himself, explored together here for the first time A deeply private man, shut off even to those who worked closely with him, Abraham Lincoln often captured “his best thoughts,” as he called them, in short notes to his personal stances on the biggest issues of the day, never expecting anyone to see these frank, unpolished pieces of writing, which he’d then keep close at hand, in desk drawers and even in his top hat. The profound importance of these notes has been overlooked, because the originals are scattered across several different archives and have never before been brought together and examined as a coherent whole. Now, renowned Lincoln historian Ronald C. White walks readers through twelve of Lincoln’s most important private notes, showcasing our greatest president’s brilliance and empathy, but also his very human anxieties and ambitions. We look over Lincoln’s shoulder as he grapples with the problem of slavery, attempting to find convincing rebuttals to those who supported the evil institution (“As I would not be a slave, so I would not be a master. This expresses my idea of democracy.”); prepares for his historic
Lincoln in Private - Ronald Douglas; expresses his private feelings after a defeated bid for a Senate seat (“With me, the race of ambition has been a failure—a flat failure”); voices his concerns about the new Republican Party’s long-term prospects; develops an argument for national unity amidst a secession crisis that would ultimately rend the nation in two; and, for a president many have viewed as not religious, develops a sophisticated theological reflection in the midst of the Civil War (“it is quite possible that God’s purpose is something different from the purpose of either party”). Additionally, in a historic first, all 111 Lincoln notes are transcribed in the appendix, a gift to scholars and Lincoln buffs alike. These are notes Lincoln never expected anyone to read, put into context by a writer who has spent his career studying Lincoln’s life and words. The result is a rare glimpse into the mind and soul of one of our nation’s most important figures.

**Every Drop of Blood**
Edward Achorn - 2020-03-03

A brilliantly conceived and vividly drawn story—Washington, D.C. on the eve of Abraham Lincoln’s historic second inaugural address as the lens through which to understand all the complexities of the Civil War. By March 4, 1865, the Civil War had slaughtered more than 700,000 Americans and left intractable wounds on the nation. After a morning of rain-drenched fury, tens of thousands crowded Washington’s Capitol grounds that day to see Abraham Lincoln take the oath for a second term. As the sun emerged, Lincoln rose to give perhaps the greatest inaugural address in American history, stunning the nation by arguing, in a brief 701 words, that both sides had been wrong, and
nation’s capital at this crucial horrors—every drop of blood spilled—might well have been God’s just verdict on the national sin of slavery. Edward Achorn reveals the nation’s capital on that momentous day—with its mud, sewage, and saloons, its prostitutes, spies, reporters, social-climbing spouses and power-hungry politicians—as a microcosm of all the opposing forces that had driven the country apart. A host of characters, unknown and famous, had converged on Washington—from grievously wounded Union colonel Selden Connor in a Washington hospital and the embarrassingly drunk new vice president, Andrew Johnson, to poet-journalist Walt Whitman; from soldiers’ advocate Clara Barton and African American leader and Lincoln critic-turned-admirer Frederick Douglass (who called the speech “a sacred effort”) to conflicted actor John Wilkes Booth—all swirling around the complex figure of Lincoln. In indelible scenes, Achorn vividly captures the frenzy in the moment in America’s history and the tension-filled hope and despair afflicting the country as a whole, soon to be heightened by Lincoln's assassination. His story offers new understanding of our great national crisis, and echoes down the decades to resonate in our own time.

Abraham Lincoln - James M. McPherson - 2009 Covers the life and political career of Abraham Lincoln, from his humble beginnings in Kentucky and legal career as a young man to his becoming president with less than half the popular vote and acting as Commander-in-Chief during the Civil War before bei
They Knew Lincoln

Originally published in 1942 and now reprinted for the first time, They Knew Lincoln is a classic in African American history and Lincoln studies. Part memoir and part history, the book is an account of John E. Washington’s childhood among African Americans in Washington, DC, and of the black people who knew or encountered Abraham and Mary Todd Lincoln. Washington recounted stories told by his grandmother’s elderly friends—stories of escaping from slavery, meeting Lincoln in the Capitol, learning of the president’s assassination, and hearing ghosts at Ford’s Theatre. He also mined the US government archives and researched little-known figures in Lincoln’s life, including William Johnson, who accompanied Lincoln from Springfield to Washington, and William Slade, the steward in Lincoln’s White House. Washington was fascinated from childhood by the question of how much African Americans themselves had shaped Lincoln's views on slavery and race, and he believed Lincoln's Haitian-born barber, William de Fleurville, was a crucial influence. Washington also extensively researched Elizabeth Keckly, the dressmaker to Mary Todd Lincoln, and advanced a new theory of who helped her write her controversial book, Behind the Scenes, A new introduction by Kate Masur places Washington's book in its own context, explaining the contents of They Knew Lincoln in light of not only the era of emancipation and the Civil War, but also Washington's own times, when the nation's capital was a place of great opportunity and creativity for members of the African American elite. On publication, a reviewer noted that the "collection of Negro stories, memories, legends about Lincoln" seemed "to fill such an obvious gap in the material about Lincoln that one wonders why no one ever did it before." This edition brings it back to print for a twenty-first century.
Lincoln's White House. fascinated with Abraham Lincoln.

Woodrow Wilson, Franklin D. did it before." This edition brings it back to print for a twenty-first century readership that remains fascinated with Abraham Lincoln.

**The Soul of America** - Jon Meacham - 2018-05-08 #1 NEW YORK TIMES BESTSELLER • Pulitzer Prize–winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear. ONE OF OPRAH’S “BOOKS THAT HELP ME THROUGH” • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Christian Science Monitor • Southern Living Our current climate of partisan fury is not new, and in The Soul of America Meacham shows us how what Abraham Lincoln called the “better angels of our nature” have repeatedly won the day. Painting surprising portraits of Lincoln and other presidents, including Ulysses S. Grant, Theodore Roosevelt, Roosevelt, Harry S. Truman, Dwight Eisenhower, and Lyndon B. Johnson, and illuminating the courage of such influential citizen activists as Martin Luther King, Jr., early suffragettes Alice Paul and Carrie Chapman Catt, civil rights pioneers Rosa Parks and John Lewis, First Lady Eleanor Roosevelt, and Army-McCarthy hearings lawyer Joseph N. Welch, Meacham brings vividly to life turning points in American history. He writes about the Civil War, Reconstruction, and the birth of the Lost Cause; the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s; the fight for women’s rights; the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II; the anti-Communist witch-hunts led by Senator Joseph McCarthy; and Lyndon Johnson’s crusade against Jim Crow. Each of these dramatic hours in our national life have been shaped
country to look forward rather than back, to assert hope over fear—a struggle that continues even now. While the American story has not always—or even often—been heroic, we have been sustained by a belief in progress even in the gloomiest of times. In this inspiring book, Meacham reassures us, “The good news is that we have come through such darkness before”—as, time and again, Lincoln’s better angels have found a way to prevail. Praise for The Soul of America “Brilliant, fascinating, timely . . . With compelling narratives of past eras of strife and disenchantment, Meacham offers wisdom for our own time.”—Walter Isaacson “Gripping and inspiring, The Soul of America is Jon Meacham’s declaration of his faith in America.”—Newsday “Meacham gives readers a long-term perspective on American history and a reason to believe the soul of America is ultimately one of kindness and caring, not rancor and paranoia.”—USA Today

Abraham Lincoln - Violet Findley - 2007-04 Profiles the sixteenth president of the United States, discussing his time as a lawyer and the Civil War
who himself sought the office administration.

**Abraham Lincoln** - Violet Findley - 2007-04
Profiles the sixteenth president of the United States, discussing his time as a lawyer and the Civil War that broke out during his administration.

**Abraham Lincoln** - George S. McGovern - 2008-12-23
America's greatest president, who rose to power in the country's greatest hour of need and whose vision saw the United States through the Civil War Abraham Lincoln towers above the others who have held the office of president—the icon of greatness, the pillar of strength whose words bound up the nation's wounds. His presidency is the hinge on which American history pivots, the time when the young republic collapsed of its own contradictions and a new birth of freedom, sanctified by blood, created the United States we know today. His story has been told many times, but never by a man of president and contemplated the awesome responsibilities that come with it. George S. McGovern—a Midwesterner, former U.S. senator, presidential candidate, veteran, and historian by training—offers his unique insight into our sixteenth president. He shows how Lincoln sometimes went astray, particularly in his restrictions on civil liberties, but also how he adjusted his sights and transformed the Civil War from a political dispute to a moral crusade. McGovern's account reminds us why we hold Lincoln in such esteem and why he remains the standard by which all of his successors are measured.

**Abraham Lincoln** - Harry R. Rubenstein - 2008
Commemorating the 200th anniversary of Lincoln's birth, here is his extraordinary story as only the Smithsonian could tell it, featuring the unpublished Lincoln collections at the National Museum of American History. Full-color photos throughout.

**Abraham Lincoln** - Harry R. Rubenstein - 2008
Commemorating the 200th anniversary of Lincoln's birth,
The Civil War is a defining event in American history and Abraham Lincoln is the central figure of both the Civil War and American history. In his struggle to preserve the Union and redeem the nation from the original sin of slavery, Abraham Lincoln provided the most compelling expression of the American Dream and the preeminent justification of the American regime. Indeed, at Gettysburg he distilled the very essence of the nation's political creed. His political thought and leadership are of enduring significance to democracy at home and abroad. To further appreciate and perpetuate Lincoln's legacy, The Language of Liberty offers the definitive one-volume collection of the Sixteenth President's speeches and writings. Unlike so many other collections, in which Lincoln's speeches and writings have been substantially edited, this volume provides a comprehensive selection of the Sixteenth President's most important speeches and writings in their entirety. The volume is conveniently divided both chronologically and thematically into five periods/chapters from 1832-1865. A final chapter offers a compilation of Lincoln's speeches and writings on the theme of religion and politics. Each speech is preceded by an informative head-note, which places Lincoln's words in context for the reader. In addition, each period/chapter includes a concise historical, political, and biographical overview of the major events in Lincoln's life and the life of the nation, thereby providing an even wider context for understanding the Sixteenth President's language of liberty. To assist the reader, crucial terms, dates, events and issues of the Civil War...
versions, concise historical
unique to this volume is the
final section on Lincoln's
Political Faith, which includes
an offering of his public and
private utterances on religion,
and a definition of this
political faith based upon the
first principles of the
Declaration of Independence.
A selected bibliography of
secondary sources has been
included for further reading
on various topics related to
the Sixteenth President.
Finally, the volume includes
an extensive introduction on
Lincoln's Prudent Leadership
and his application of the
natural law to the
circumstances of the Civil
War Era. Indeed, this
introduction provides a
crucial understanding of the
relationship between Lincoln's
political thought and political
action, between the world of
theory and practice. In sum,
The Language of Liberty
provides an indispensable
guide to the lay reader, the

Abraham Lincoln: Speeches and Writings Vol. 1 1832-1858 (LOA #45) - Abraham Lincoln - 1989-10-01
Abraham Lincoln measured the promise—and cost—of American freedom in lucid and extraordinarily moving prose, famous for its native wit, simple dignity of expressions, and peculiarly American flavor. This volume, with its companion, Abraham Lincoln: Speeches and Writing 1859-1865, comprises the most comprehensive selection ever published. Over 240 speeches, letters, and drafts take Lincoln from rural law practice to national prominence, and chart his emergence as an eloquent antislavery advocate and defender of the constitution. Included are the complete Lincoln-Douglas debates, perhaps the most famous confrontation in American political history.

Abraham Lincoln: Speeches and Writings Vol. 1 1832-1858 (LOA #45) - Abraham Lincoln - 1989-10-01
Abraham Lincoln measured the promise—and cost—of American freedom in lucid and extraordinarily moving prose, famous for its native wit, simple dignity of expressions, and peculiarly American flavor. This volume,
ever published. Over 550

Series editor Richard Beeman, author of The Penguin Guide to the U.S. Constitution, draws together the great texts of American civic life to create a timely and informative mini-library of perennially vital issues. Whether readers are encountering these classic writings for the first time, or brushing up in anticipation of the 50th anniversary of the Civil Rights Act, these slim volumes will serve as a powerful and illuminating resource for scholars, students, and civic-minded citizens. As president, Abraham Lincoln endowed the American language with a vigor and moral energy that have all but disappeared from today's public rhetoric. His words are testaments of our history, windows into his enigmatic personality, and resonant examples of the writer's art. Renowned Lincoln and Civil War scholar Allen C. Guelzo brings together this volume of Lincoln Speeches that span the classic and obscure, the lyrical and historical, the inspirational and intellectual. The book contains everything from classic speeches that any citizen would recognize—the first debate with Stephen Douglas, the "House Divided" Speech, the Gettysburg Address, the Second Inaugural Address—to the less known ones that professed Lincoln fans will come to enjoy and intellectuals and critics praise. These orations show the contours of the civic dilemmas Lincoln, and America itself, encountered: the slavery issue, state v. federal power, citizens and

**Lincoln** - David Herbert Donald - 2011-12-20
A masterful work by Pulitzer Prize-winning author David Herbert Donald, Lincoln is a stunning portrait of Abraham Lincoln's life and presidency. Donald brilliantly depicts Lincoln's gradual ascent from humble beginnings in rural Kentucky to the ever-expanding political circles in Illinois, and finally to the presidency of a country divided by civil war. Donald goes beyond biography, illuminating the gradual development of Lincoln's character, chronicling his tremendous capacity for evolution and growth, thus illustrating what made it possible for a man so inexperienced and so unprepared for the presidency to become a great moral leader. In the most troubled of times, here was a man who led the country out of slavery and preserved a shattered Union—in short, one of the greatest presidents this

- **Larry Tagg** - 2009

* Vivid study of what those around him really thought of America's "greatest president" * Published to coincide with the bicentennial of Lincoln's birth and Spielberg's biopic Today, Abraham Lincoln is a beloved American icon, widely considered to be our best president. It was not always so. Larry Tagg's The Unpopular Mr. Lincoln is the first study of its kind to concentrate on what Lincoln's contemporaries actually thought of him during his lifetime. Be forewarned: your preconceived notions are about to be shattered. Torn by civil war, the era in which our sixteenth president lived and governed was the most rough-and-tumble in the history of American politics. The violence of the criticism aimed at Lincoln by the great men of his time on both sides of the Mason-Dixon line is simply startling. Indeed, the breadth and depth of the spectacular prejudice against him is often shocking for its cruelty, intensity, and
understand the man he was, truth is that Mr. Lincoln was deeply reviled by many who knew him personally, and by hundreds of thousands who only knew of him. Boisterous and venomous enough to be good entertainment, The Unpopular Mr. Lincoln rests upon a wide foundation of research that includes years of searching through contemporary newspapers. Tagg includes extensive treatment of the political context that begat Lincoln's predicament, riding with the president to Washington, and walking with him through the bleak years of war and up to and beyond assassination. Throughout, Tagg entertains with a lively writing style, outstanding storytelling verve, and an unconventional, against-the-grain perspective that is sure to delight readers of all stripes. Lincoln's humanity has been unintentionally trivialized by some historians and writers who have hidden away the real man in a patina of bronze. Once readers learn the truth of how others viewed him, they will better understand how history is better viewed through a long-distance lens than contemporaneously. The bicentennial of Lincoln's birth will be celebrated in 2009 and will be the biggest year ever for public interest in Abraham Lincoln. The Abraham Lincoln Bicentennial Commission created and funded by Congress will "inform the public about the impact Abraham Lincoln had on the development of our nation." The year will also witness the release of Steven Spielberg's long-awaited movie on President Lincoln. Of all the Lincoln books slated for publication, The Unpopular Mr. Lincoln will be the "must-read" title for general readers and scholars alike. AUTHOR: Larry Tagg graduated from the University of Texas at Austin. A bass player/singer of world renown, Larry co-founded and enjoyed substantial commercial success with "Bourgeois Tagg" in the mid-1980s. He went on to play bass for Todd Rundgren, Heart, Hall and Oates, and other acts. He

**Abraham Lincoln, the First American** - David Decamp Thompson - 1894

**The Real Lincoln** - Thomas J. Dilorenzo - 2009-02-19

A New Look at Abraham Lincoln, His Agenda, and an Unnecessary War Most Americans consider Abraham Lincoln to be the greatest president in history. His
Standing in his way, however, Emancipator has grown to mythic proportions as hundreds of books, a national holiday, and a monument in Washington, D.C., extol his heroism and martyrdom. But what if most everything you knew about Lincoln were false? What if, instead of an American hero who sought to free the slaves, Lincoln were in fact a calculating politician who waged the bloodiest war in American history in order to build an empire that rivaled Great Britain’s? In The Real Lincoln, author Thomas J. DiLorenzo uncovers a side of Lincoln not told in many history books—and overshadowed by the immense Lincoln legend. Through extensive research and meticulous documentation, DiLorenzo portrays the sixteenth president as a man who devoted his political career to revolutionizing the American form of government from one that was very limited in scope and highly decentralized—as the Founding Fathers intended—to a highly centralized, activist state.

was the South, with its independent states, its resistance to the national government, and its reliance on unfettered free trade. To accomplish his goals, Lincoln subverted the Constitution, trampled states' rights, and launched a devastating Civil War, whose wounds haunt us still. According to this provocative book, 600,000 American soldiers did not die for the honorable cause of ending slavery but for the dubious agenda of sacrificing the independence of the states to the supremacy of the federal government, which has been tightening its vise grip on our republic to this very day. In The Real Lincoln, you will discover a side of Lincoln that you were probably never taught in school—a side that calls into question the very myths that surround him and helps explain the true origins of a bloody, and perhaps, unnecessary war.

Abraham Lincoln and the Western Territories - Ralph Y. McGinnis - 1994
Instead of battling the West with a pistol, Abraham Lincoln tamed America's western territories with his famous pen. By passing laws that offered cheap land, adequate railway transportation, and inexpensive, practical education, Lincoln provided the means for the settlement of the Great American West. By examining policies, problems, and actions, Abraham Lincoln and the Western Territories tells the story of how the Wild West was won for the Union. A Burnham Publishers boo

My Little Golden Book about Abraham Lincoln - Bonnie Bader - 2016
Preschoolers can learn all about Abraham Lincoln in this all-American Little Golden Book Bright pictures and a simple story capture the essence of one of our most popular presidents. Little ones will enjoy key anecdotes about Lincoln, beginning with young Abe's love of reading. Fun facts at the end--such as Lincoln's declaration of the final Thursday in November as Thanksgiving day--round out this nonfiction book full of Little Golden Book charm. And look for: My Little Golden Book About George Washington.
